

Serving Seniors Handmade Gifts

Gift giving is an act that shows appreciation and thoughtfulness.

We appreciate you assembling gift bags, making holiday ornaments and other crafts for our seniors. Your generosity and creative expression truly brighten a senior's day by reminding them the community is holding them in their hearts.

Please complete this form + return with your donations so we can count your volunteer hours. If you need proof of volunteer hours and/or your donation, please email Christina Selder at christina.selder@servingseiors.org.
