Who We Are

Serving Seniors helps seniors in poverty live healthy and fulfilling lives.

Established in 1970, **Serving Seniors** helps low-income and homeless seniors thrive using an innovative model of whole-person, wraparound support including meals, housing, health and social services, and enrichment activities. We work at numerous sites across the county and in the homes of thousands of homebound seniors.

Our flagship **Gary & Mary West Senior Wellness Center** in downtown San Diego provides daily meals,

along with two floors of coordinated resources including health educators, social workers, housing assistance, activities, enrichment activities, a Cyber Café, and an on-site senior dental center.

Each year, we provide over **1,100,000 meals and coordinated services** to thousands of older adults aged 60 and above, most of them living on less than \$1,200 per month.
